PROFILE

I am a humble student, a voracious learner, a disciplined worker, and an energetic teammate. My skills include Ruby, Rails, JavaScript, Git, Shell, SQL, HTML, CSS, Object-Oriented Programming, Agile Development, and pair programming.

EXPERIENCE TECHNICAL

RESEARCH ASSOCIATE

RP Financial LC; Arlington, VA

Apr '11-Nov '12

Researched and authored strategic plans for banks and thrifts. Taught myself Visual Basic and developed Excel macros that automated a weekly task from 6 hours to 30 minutes in my second month. Initiated and developed my own training program, based on office surveys I conducted. Administered 6 week onboarding program.

MANAGERIAL

BRANCH MANAGER

CollegeWorks Painting; Falls Church, VA

Feb '10-Aug '10

Founded and grew a branch of a house painting business that earned \$50,000 of revenue in one summer. Initiated and coordinated an extensive canvassing campaign spanning Falls Church and Arlington, gathering the most leads of any of the 75 Virginia branch managers that year. Managed the largest branch in Virginia with 12 employees hired and trained. Excelled in sales, successfully closing 32% of all proposals; 50% higher than the national average.

ASSISTANT

UVA Drama Department; Charlottesville, VA

Nov '10-Feb '11

AST Cowen Design; Arlington, VA

May '09-Aug '09

DESIGN

BennDesign; Sydney, Australia

May '06-Aug '06

EDUCATION DEV BOOTCAMP

Chicago, IL — Full-Stack Web Development, 2013

UNIVERSITY OF VIRGINIA

Charlottesville, VA — Economics, 2011

AWARDS

1st Place, Lean Startup Machine Hackathon, San Diego — Dec '12
"Fastest True Novice Ever Coached", Virginia Men's Rowing — Feb '10
